

CERTIFICATE

No. 313AS/NZS-02

Pölkky Oy

Kemijärventie 17
FI-93600, KUUSAMO

Place of manufacture: Kuusamo, Finland

has received this product certificate based on the approved production methods, quality assurance and initial test results assessed and verified by European Notified Body number 2412, Finotrol Oy. The manufactured products fulfil the requirements set in the following standards:

Standard AS/NZS 1748.1:2011, Timber-Solid-Stress-graded for structural purposes
Standard AS/NZS 1748.2:2011, Timber-Solid-Stress-graded for structural purposes

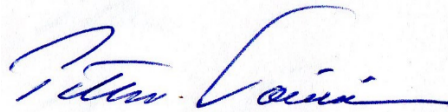

Certified products:

Strength graded structural timber: Grades MGP10 and MGP12

The certificate covers strength graded structural timber graded with a combined acoustic and visual grading system under continuous surveillance and assessment of Finotrol Oy.

The company is entitled to use certification mark, based on the requirements of the standard AS/NZS 1748.1:2011. The certificate holder is responsible for ensuring the compliance of the manufactured products.

This certificate has been updated on 05-02-2021.

Petteri Torniainen, Managing Director

The certificate has been issued first time on 21st of August 2015. It remains valid until further notice provided that the requirements set in the General Rules for Product Certification of Finotrol Oy and in the above mentioned document requirements are met continuously. The validity of the certificate can be checked at www.finotrol.fi
